

"It's A Small World" by Richard M. Sherman

C G7
It's a world of laughter, a world of tears

C
It's a world of hopes and a world of fears

C7 F
There's so much that we share, that it's time we're aware

G7 C
It's a small world after all

(Chorus)

C G7
It's a small world after all

C
It's a small world after all

C C7 F
It's a small world after all

G7 C
It's a small, small world

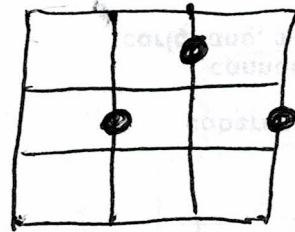

C G7
There is just one moon and one golden sun

C
And a smile means friendship to everyone

C7 F
Though the mountains divide and the oceans are wide

G7 C
It's a small world after all

G7
